## **Notice Regarding Changes (Enhancement) to the Shareholder Benefit Program and Long-term Shareholder Benefit Program**

SHIMA SEIKI MFG., LTD. (the “Company”) announces that it has resolved to change (enhance) the shareholder benefit program and long-term shareholder benefit program, as detailed below.

### **1. Reason for change**

In appreciation of our shareholders’ continued support, and to further enhance the investment appeal of the Company’s shares and encourage more shareholders to hold them over the medium to long term, we have decided to enhance the content of our shareholder benefit program and long-term shareholder benefit program (the “long-term benefit program”).

### **2. Details of change**

(Shareholder benefit programs for March and September)

The Company will integrate the shareholder benefit programs currently provided separately in March and September and revise the existing shareholding categories. In addition, the benefits provided in each shareholding category will be enhanced.

Furthermore, the Auberge de South Terrace discount coupons, currently offered under the September shareholder benefit program, will be sent to shareholders eligible for the shareholder benefit program for the fiscal year ended March 31, 2025 (eight coupons providing a 30% discount off regular rates).

(Long-term benefit program)

The Company will introduce new shareholding categories for the long-term benefit program.

In addition, as part of its commitment to environmental sustainability, the Company will discontinue offering the original calendars currently offered as benefits for long-term shareholders, beginning with the 2026 calendar. Instead, the benefit will be enhanced to include products offered at restaurants directly operated by the Company. The Company sincerely appreciates the understanding of shareholders who have looked forward to receiving the original calendars over the years.
